

Clayton South Primary School

Step Into Prep 2019

Clayton South Primary School provides a happy, caring and stimulating environment. We work in a diverse community and do so with a sense of commitment. Children are encouraged as individuals to achieve their best, so they can make positive contributions to the community.

Step into Prep is an outstanding program designed to prepare your child for school in 2020.

The program is on **Fridays** from **2:30pm – 3:30pm** in our dedicated Step into Prep room.

Our wonderful, experienced Prep teachers are **Mrs Fairlie Halligan** and **Mrs Eve Angeles**. These staff take the sessions. Parents are warmly invited to stay and watch if they choose.

This is an excellent way to see the school in action and meet with Fairlie, Eve and other school staff.

The program enables your child to mix and form new friendships with other students who will be coming to Clayton South Primary School in 2020.

Your child will be engaged in educational experiences preparing him/her for a wonderful school life.

This is a FREE program for your child.

Please phone us to reserve your child's place in the Step into Prep Program in 2019.

Address: 539 Clayton Road, Clayton South
