Term 1: 29 Jan — 4 Apr
Term 2: 22 Apr — 27 Jun
Term 3: 14 Jul — 19 Sep
Term 4: 6 Oct — 19 Dec

Acting Principal’s Report

Sad Farewell
It is with great sadness that I have to announce our fantastic Crossing Supervisor Noel is moving on. Noel has been part of our community for over ten years and due to personal circumstances he is no longer able to continue in his role at our wonderful school. We are so sad to see him go as he is more than a Crossing Supervisor to our students, he is a friend, a carer, a mentor, and so much more. Noel was really pleased that we nominated him for Crossing Supervisor of the year and we were proud that he was chosen as a finalist. Please make sure in the last week of term you say a special goodbye and wish him all the best. We are planning a special farewell for Noel and we will send out more information about this to each student. Thank you Noel, you are the best!

End of Term
We would like to remind families that next week is the last week of Term 2 and school finishes on Friday at 2:30pm. Our final assembly will be held on Friday at 2:00pm instead of the usual Thursday time. Please come and join us to farewell our very special Noel. We wish you all a very well earned rest and we hope everyone returns in Term 3 without our recent outbreaks of illness. We are on track for a great Term 3 with students achieving success in all areas of their schooling.
**Student Reports**
The teaching staff have been incredibly busy over the last few weeks not only with attending school events but also writing student reports. Your child’s report is a means for us, as an educational institution, to inform students and their respective families of how their child is progressing. It is also a way for us to indicate what they have accomplished, areas for future growth and, most importantly, how we can work together for the educational, social and emotional development of your children. For me student reports are a time to celebrate and acknowledge how far the children have progressed over the course of the semester. Reports will be distributed at the end of the term and if you have any questions please do not hesitate to contact your child’s teacher and make an appointment to see them. Please also make sure you look carefully at your child’s Portfolio so you may gain more insights into what your child is achieving and what they are doing at school each week.

**Enrolments**
I would like to once again remind families with children who will be beginning school in 2015 that we are taking enrolments now and that they are also closing rapidly. I strongly encourage you to ensure you complete your child’s enrolment form and return it to Gay in the office as soon as possible.

**Multicultural Research Survey**
Just a reminder that all families will have received a survey and we would like as many as possible to be returned by Friday 27th June. You may also access the survey on line with the following link: https://melbournegeography.qualtrics.com/SE/?SID=SV_1Fi7fdQW4DtCDIN

The survey is part of a research project with The University of Melbourne, to learn about the experiences and opinions of parents with children at multicultural schools in Victoria. This research is interested in the day-to-day interactions between parents of different cultural backgrounds, and the way these interactions can create cohesive multicultural school communities that can benefit both children and parents.

**Religious Education**
Following on from last week’s newsletter there is now an updated form from the Department of Education for Parents to request their children to attend Religious Education at the school. This new form will be sent out this week and it needs to be returned to the school to update our records. If there is no form returned students will not attend RE classes that have generally been held from 2:30-3:30 on a Thursday afternoon.

**Global Education Project**
This week, staff were busy planning for Term 3 with members of the GEP to ensure we are giving our Inquiry Units a global perspective. We look forward to ensuring we deliver the best possible outcomes for our students with each child thinking about their learning as global citizens. Great work everyone and I am sure the staff are excited about your future learning.
Oral Health Program Initiative

Our school is scheduled to receive an offer of service by the MonashLink Oral Health Service. All students 12 and under will be seen free of charge at MonashLink either under public funding or CDBS funding. Students, who are eligible for the Medicare Child Dental Benefits Schedule, can be seen at MonashLink with treatment up to $1000 bulk billed to Medicare. If current dental work exceeds $1000 MonashLink will finish the treatment free of charge. The Oral Health Service utilises an individualised patient re-call system to manage patient appointments. Under this system, children currently enrolled with the Oral Health Service are notified of their next dental check-up. Children at low-risk of dental disease are contacted directly with a letter of offer every 24 months. Children with a high risk of dental disease are contacted every 12 months. This means examination and treatment now occurs when a child needs it and not only when MonashLink is scheduled to promote to a school. Any children who are 13 and over and not eligible for Child Dental Benefits Schedule can access our Private Clinic ‘Monash Smiles’. We also have a specialist Orthodontist for any private consultations. Weekdays and Saturday appointments are available and all members of the family are welcome. Dental examinations (check ups) and treatment will be provided by appointment at: MonashLink Community Health Service Limited Rear, Level 1, 9 – 15 Cooke Street, Clayton, 3168, 1300 552 509

Dolphin Research Group

On Tuesday 17th June, Katie, Baran and Matt went to Banyan Reserve and Mordialloc Creek as part of their work with The Dolphin Research Team. The project aims to teach students how they can be peer tutors helping others to learn about caring for the environment and the effects of litter on our waterways. All three students have been fantastic ambassadors for our school and they will be presenting what they have learnt next term at assembly. The students are encouraging everyone to log on to the Dolphin Research website-icai.sea, icare to complete a survey so they can get more information about people’s understanding of Port Phillip Bay and what effects the waterways. Please log in and help us at Clayton South improve our environment.

Thank you!! And Help Needed

Thanks go to one of our fantastic families for their help in repairing our tables and seats. Connor, Ethan and Adele’s Dad has not only repaired some of our play equipment but also our seats near our main entrance. We would like to promote this as a passive play area and we are now looking for anyone in the holidays who is able to sand and re-stain the tables and chairs and also do some other small paint jobs. Please see Lynne Foster if you have any time to spare in the next holiday break.

Thanks for all your support this Term and have a great Term 2 break

From Lynne Foster
Sports News

5th June (Week 7)

Girls Teeball: Today, the girls tee-ball team played a friendly match against Wallarano. The best person on ground was Iliana for doing a great job as catcher and to Kelly and Kanishka for both getting two home runs. The scores were 7 to 21 in Wallarano’s favour. We hope to improve our batting and catching skills to play better in any future games.

Mixed Teeball: Today we were playing against Wallarano. Ben did some great batting and made two home runs. The scores were 18 to 15 and we won.

Girls Netball: Today the girls netball team played a great match. Natasha, Mikara and Aliyah played really well. Wallarano had very good shooters and in the first half they got 8 points and we got 1. In the second half we shot 4 and they got 1. So Mrs Douglass was pleased that we had a come-back! The overall scores were 9 to 5 and unfortunately we lost.

Mixed Netball: Today, the mixed netball team played against St. Elizabeths. Alexa and Marmarin did excellent defending and Nicholas did great shooting. We did a good job passing forwards today (sometimes we have been passing backwards). The scores were 7 to 5. We won!

Soccer: Today the soccer team played a friendly game. The team played really well. The score was 2 to 0. Unfortunately we lost. The best on ground was Matt for great defending and Aanas for great midfielding and trying to score a goal.

12th June (Week 8)

Girls Teeball: Today, the girls tee-ball team played against St. Elizabeths. Everyone played well. The scores were 9 to 13. Unfortunately we lost. Raviha and Eirini were good partners in fielding and catching the ball.

Mixed Teeball: Today, the mixed tee-ball team played a friendly match. We all tried our best. The scores were 22 to 2 and unfortunately we lost. The best on ground was Tommy for getting the most players out.

Girls Netball: Today, the girls netball team played a friendly match. The scores were 28 to 5 and unfortunately we lost. The best on ground goes to Emily and Natasha.

Mixed Netball: Today, the mixed netball team played against St. Elizabeths. It was a tough match for both teams. The scores were 12 to 11, we won! Both Vienna and Nicholas played well together. The best on ground goes to Antony, Vienna and Nicholas for great passes and shooting. We all played well together.

Soccer: Today, we played a tough soccer match. Jim, Ferdos, Aanas and Archie were good kickers. The best on ground was Andrew C. for good defence. The scores were 1 to 0. Unfortunately we lost.
Cross Country News

District Cross Country

Congratulations to all the students who competed in the District Cross Country. All students completed the course – 2km for 9/10 year olds and 3km for 11/12/13 year olds, with several finishing in the top 50 for their age group.

Special mention to Amor (13th), Katie (18th), Zainab (19th), Archie (21st), Marmarin (22nd) and Aanas (24th) for their age groups.

Well Done Team!

CHILD DENTAL TREATMENT

Monashlink Community Dental Clinic is currently offering dental examinations and treatment to children attending:

CLAYTON SOUTH PRIMARY SCHOOL

Dental care includes: emergency treatment, regular check-ups, dental sealants, fillings and other complex treatments.

$1000 Medicare Child Dental Benefits Schedule

If your child is eligible for the Medicare Child Dental Benefits Schedule, treatment up to $1000 is BULK BILLED to Medicare. If your child’s current dental treatment exceeds $1000, MonashLink will complete it for FREE.

Other siblings who are not enrolled at Clayton South Primary School, and are eligible for the Child Dental Benefits Schedule, can also be booked for an appointment.

Children up to 13 years of age who are not eligible for the Child Dental Benefit Schedule can be seen for free if the form is returned by the due date on 25th of June 2014.

If your child is 13 and over and not eligible for the Child Dental Benefits Schedule, they can be seen in our private clinic ‘MONASH SMILES’.

A specialist private Orthodontist is available. Private Insurance rebates can be instantly processed through HICAPS.

Please contact us make a private appointment weekdays or Saturday mornings on 1300 772 372

If you would like to book an appointment or check to see if your child is already on our recall system please complete the form provided and return to school by 25/06/2014

Extend OSHC at Clayton South Primary School

Don’t forget to enrol before Term 3 starts!

Enrol today.
With Term 2 nearly over it’s time to start thinking about Term 3. Be well prepared and have your family enrolled with Extend. It is a Government regulatory requirement that each child is enrolled before attending the service.

The annual enrolment fee per family of $20 is NOT payable until you first use the service. So why not enrol now so you can access the service later? It doesn’t matter if you don’t end up using the service, because you won’t be charged.

You can head to our website at extend.com.au to complete your family’s enrolment online.
Tooth-n-Gum Dental

FREE CONSULTATION*

*You can meet our dentist to discuss oral treatment and the associated costs. Normally the cost of such a consultation would be $50-$100, which will be waived as per this offer. This free consultation includes limited oral examination but does not include x-rays, full exams or charting and is limited to 30 minutes. This offer does not include the initiation of treatment. Limit 1 per customer.
