Principal’s Report

Thank you to all the parents who said they can attend our Term 3 working Bee this Friday. We will be cleaning our yard, gardening and sweeping from 2:30pm. If you are unable to attend a kind donation of $10 would be gratefully accepted which will be put towards new gardening tools and mulch.

Don’t forget our Curriculum Day next Monday 15th August. No students will be required to attend school this day as school staff will be undertaking professional learning and planning, including implementing the new Victorian Curriculum.

Have you looked at our updated website? It now has an absence quick link form. So if your child is away from school you can clink on this link. It is quick and easy to complete the form explaining the absence and this gets mailed directly to the school.

Mrs Halligan will be taking some Long service leave from the Monday 29th August until Monday 17th October. After a number of years of service to the Education Department teachers are entitled to take Long Service Leave and at Clayton South PS we aim to ensure this does not have a negative impact on your child’s education. Mrs Canpolat will be replacing Mrs Halligan during her absence. Mrs Canpolat is an experienced teacher and is well known to the staff and students at CSPS.

The move from primary to Secondary School is a major milestone for your child. It's a time of big changes in their development, education and life. We are committed to ensuring we are giving our students the education that industries will need, and the skills that employers will expect them to have. Secondary Schools work with us to make transition easier. A school’s transition program includes:

- student talks by past students at their old primary school
- secondary school teachers’ talks or introductory lessons at primary schools
- Year 6 visits to secondary schools
- Buddy systems at secondary schools, teaming older and younger students.

As part of the transition from Year 6 to Year 7, students in government secondary schools participate in an orientation day. All government schools hold this orientation day on the same day which is Tuesday 6th December. On this day the Year 6 students spend the day at their chosen Secondary School. All Year 6 students should have received their placement confirmation letter by now. Please contact CSPS as soon as possible if you haven’t received it.

Our Before and After School Care Program is changing. School Council have approved the shift from Extend to Youth Leadership Victoria. (YLV) is one of Australia’s only non-profit childcare providers. Established in 2000, they operate in 24 schools across Victoria and run 13 holiday programs. They are dedicated to providing exceptional on-campus, outside school-hours care focused on the children’s well-being and development. More information will be distributed shortly and no interruption or inconvenience to the families or to the program should occur.

More information is available on their website

This week the Prep students together with students from Clayton South Kindergarten had the Teddy Bear’s Hospital visit. Teddy Bear Hospital is a world-wide program that provides primary school students with the opportunity to interact with student doctors.

The program aims to alleviate the ‘white coat anxiety’ children often feel when visiting health professionals. Teddy Bear Hospital is a unique and interactive way for children to experience the atmosphere at a hospital or general practice without being patients themselves.

The morning involved students bringing their own teddy bears (patients), and medical students acting as their doctors. The children rotated through a number of role-play scenarios, simulating experiences such as calling an ambulance, examination of eyes and ears and using asthma devices. The importance of good hygiene, healthy eating and physical activity were also encouraged. You can access further information from the following website

Our excellent sporting program was complimented by a Year 3-6 School Athletics Day on Tuesday at the Oakleigh Athletics Track.

Students rotated around a variety of field events including long jump, discus, shot put, hurdles, 100 m sprint, 800 metres, triple jump and vortex throwing. The students were awarded ribbons if they came first second or third. All the students were prepared for the events in PE lessons and the specialised athletics program using the Sporting School’s funding. Demonstrated excellent endeavour on the day, participating in every event. The events were manned by staff and parent volunteers and everyone had a fun day despite the windy weather. Thank you Mrs Douglass for your organisation and to the staff and volunteers who helped make the event a successful one. It was great to see so many parents attending.
