WORKING BEE

CLAYTON SOUTH PRIMARY SCHOOL

We will be having our next working bee
Friday, 13th May at 2:30pm - 4:00pm.

We have been very grateful, to parents and family members, who have contributed their time and efforts to our past working bees and hope that as many of you would participate, alongside your children, to help make our school a better place for our children to learn, play and grow.

It would be greatly appreciated if you are able to offer some spare time on Friday and would welcome any additional non-powered gardening equipment that you could bring from home.

Please indicate if you are able to assist and return the form below to your child's teacher by Tuesday 10TH May. It would be fantastic to see some new faces on this working bee!

If you are unable to attend, a donation of $10 towards the upkeep of our grounds and new plants would gratefully appreciated.

Kind Regards
Sue McSweeney
Principal
