As always, it has been a busy fortnight at Clayton South Primary School. We are continuing to have an excellent term and I enjoy visiting all our classes to see the amazing learning that is taking place.

Mixed Netball Team

In the last edition of the newsletter, we reported on the success of our Mixed Netball team winning the interschool competition, then playing in and winning the district competition, qualifying them for the division competition that was held last week. Last Wednesday, our team went to Dandenong to compete. They played two games and the competition was certainly tough.

After losing one game by 2 goals, but winning the next by 4 goals, this qualified them as the champions of the division! They now are set to play in the regional competition next week.

A huge congratulations to the team, and to Mrs Douglass for our outstanding coaching!

World of Maths

Last week we had our World of Maths incursion for all our students. It was fantastic to see our students engaged with all of the hands on learning activities and to hear the positive chatter of them working together to solve the problems!

Thank you to all of the families who came to the after school session with their children. We love our students being able to share their learning with their families, and it was great to see so many families in attendance.

We received great compliments from James, the World of Maths host, about how polite, respectful and engaged our students were! Well done CSPA students!

Parent / Caregiver Surveys

Each year, schools are required to conduct Parent Perception Surveys to gain further insight into your opinions as to how our school is performing. The 2024 surveys are currently open. Invitations were sent out via Sentral earlier this week, with a link for you to be able to complete the surveys.

Being a small school, all families are invited to participate in the survey. We ask that you please take the time to do this, as your feedback is important to support the continued development of our school.

Parent / Teacher Interviews

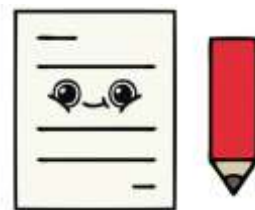

Parent / Teacher Interviews are being held next week. This is a great opportunity to meet with your child's teacher, reflect upon their mid year report, and work together to set goals for their continued learning and growth for the remainder of the year. Information regarding the interviews was sent home last week, please contact the school if you require further information. If you already have regular SSG meetings for your child, there is no need to book an interview, as the content discussed is already covered in your SSG meeting.

Notices

We are aware that there is a lot of information being sent home at the moment, including those that have return slips associated with them.

Please help your child by asking them regularly if they have any notices and also checking their bags if need be.

It is important that all notices are returned to the school in a timely manner, to support the smooth running of events.

2025 Enrolments

We are now taking enrolments for 2025!

If you have a child who will be joining us at Clayton South Primary School in 2025, then now is the time to begin organising enrolment for them.

If you have friends or family with children looking to join our fantastic school, then please let them know that they are welcome to make a time to have a chat with us and that enrolments are currently being taken.

Please make all enrolment enquiries at the office.

COLOUR EXPLOSION RUN

Get your Colour on, Clayton South Primary School is hosting a Colour Explosion Run 4 Fun!

Our Colour Explosion Run 4 Fun will be on Friday 13th September from 2:30 to 3:30pm.

Not only are we hosting an awesome Colour Explosion Run 4 Fun, Students can order up to a total of 5 prizes based on their donations received. They can even mix and match! Don't want the prizes, donate your donations to one of the five causes – Carbon Neutral (tree planting), Great Barrier Reef Foundation (coral planting or turtle protection), The Smith Family (reading support) or OzHarvest (providing meals).

Students have received a sponsorship book with instructions on setting up their cybersafe, online fundraising profile at www.australianfundraising.com.au. This is an entirely online fundraiser; all cash donations must be converted to online donations to redeem your prizes.

Extra Incentives to Fundraise!

Online Golden Coins – complete fun online tasks to redeem an extra \$75 towards your prize credit.

Monty the Monstar's Bonus Prizes – achieve milestones to unlock Monty's bonus prizes.

\$10,000 Budget Booster Bonanza Spending Spree for one organisation's highest fundraising student

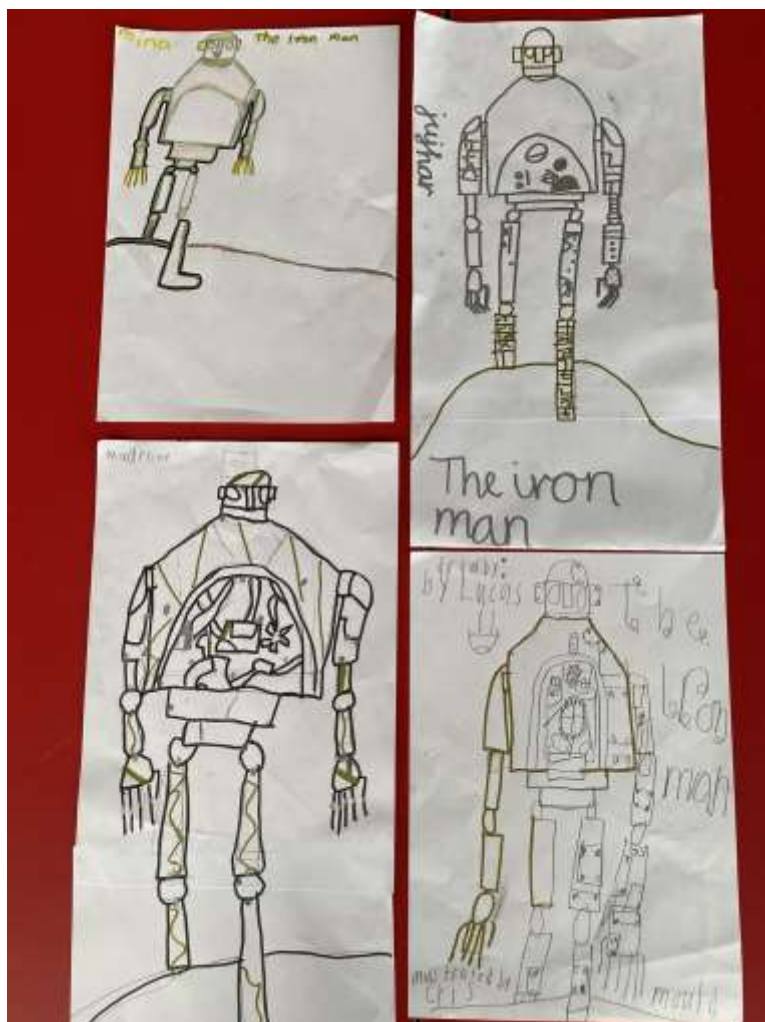

Our school will win an extra \$5,000 if we have the highest average fund-raised amount per student in 2024.

A Play Station 5 Gaming Bundle – see your child's sponsorship booklet for more!

Happy fundraising!

THE IRON MAN

Grade 2/3A are reading a novel called "The Iron Man" by Ted Hughes. It is a story about a giant metal robot who suddenly appears in the countryside. The robot, called the Iron Man, eats farm machinery and scares the people.

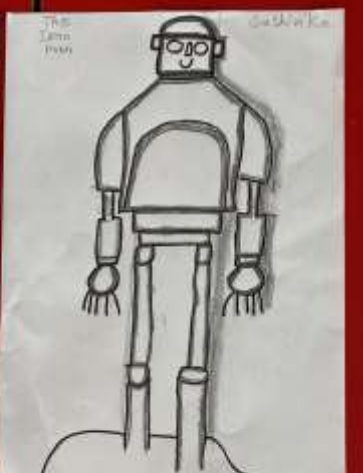

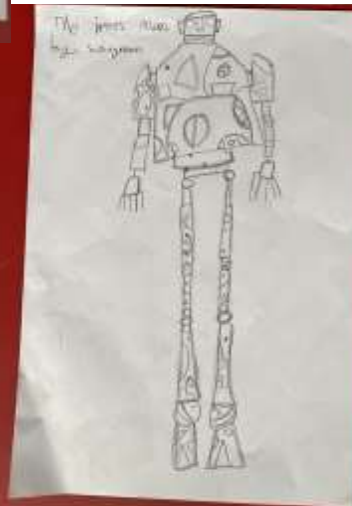

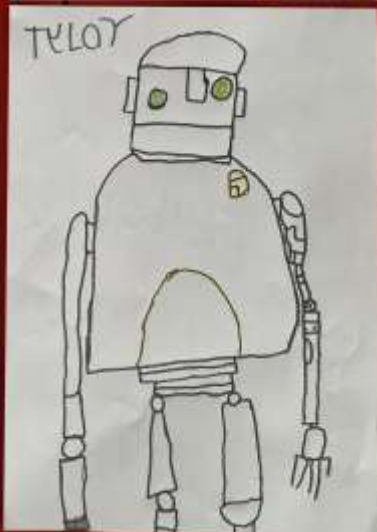

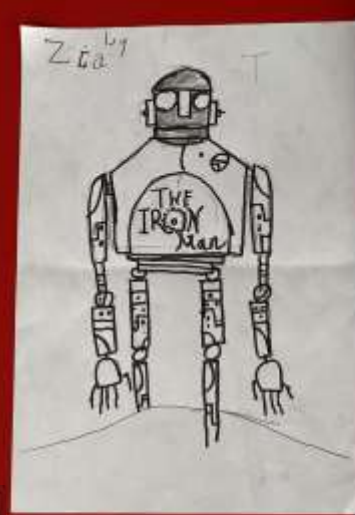

A brave boy named Hogarth befriends the Iron Man and helps him stop scaring everyone. We are enjoying the story, and we drew special pictures of him.

More Iron Man drawings on the next page ...

THE IRON MAN

We are also learning interesting facts about iron ore—where it is found and how it is mined and processed.
