THURSDAY: 28 NOVEMBER 2024

As we move towards the end of the term, it continues to be full steam ahead for our students and staff here at CSPS.

2024 School Results

Each year, the Department of Education produces a School Performance Report as a measure of tracking how schools are performing. The report is developed using information gathered from individual NAPLAN results, NAPLAN growth data, teacher judgements on student outcomes and perception survey results.

Below is a snapshot of Clayton South Primary School's 2024 Performance Report. We are extremely excited to share the outstanding results that we have achieved! Our school is demonstrating 'High' performance in both learning and Wellbeing, giving our school and overall 'High' performance rating! These are the best results that we could possibly achieve!

These amazing results are thanks to:

- The tireless efforts of our staff, who continuously go above and beyond to create the best learning environments and provide high quality teaching for our students.
- Our students who with their positive attitudes and mindsets, work hard on improving their learning every day.
- Our families who support and value our school.
- Our comprehensive learning programs based on best practice research

This report backs up the extremely high student, parent and staff perception survey results that we achieved this year, and the positive and productive vibe that visitors all describe feeling when visiting our school. I feel extremely proud of our exceptional results. We really do have the best school and community!

2024 School Performance Report

Clayton South Primary School

LEARNING performance group

Current Level: High
Change Level: Improved

The Learning domain measures performance on NAPLAN assessments in Reading and Numeracy, NAPLAN relative growth, and Teacher judgement growth for English and Mathematics.

Schools in this similar schools group have achieved a range of performance categories, including 6 schools in the High category.

Similar schools' LEARNING performance groups

WELLBEING performance group

Current Level: High
Change Level: Maintained

The Wellbeing domain measures performance on a set of Attitudes to School Survey factors related to emotional awareness, managing bullying, school connectedness, stimulated learning and student voice; and the school's attendance rate.

Schools in this similar schools group have achieved a range of performance categories, including 16 schools in the High category.

Similar schools' WELLBEING performance groups

OVERALL performance group

A school's overall performance group represents its combined performance on Learning and Wellbeing Domains.

As an overall performance group, this indicates a range of student outcomes that are high across learning and wellbeing measures.

SIMILAR schools

Comparing your school's performance with the performance of your similar schools group can provide information about how your school performs compared to schools with similar characteristics.

Term 4

Term 4 always proves to be an exciting, yet very busy time in schools. In regards to upcoming events and ensuring that they run as smoothly as possible, we ask that you please take regular note of the school newsletter/calendar, check carefully for any notices that your children bring home and take particular note of any specific details on them. We also endeavour to send out as many reminders as we can on Sentral.

Please note these important dates for events occurring later this term:

Thursday 28th November – End of Year Concert (*please note the revised date*)

Thursday 12th December – Grade 6 Graduation (for Grade 6 families)

Monday 16th December – Grade 6 Fun Day (for Grade 6 students)

Wednesday 18th December – Class Parties

Friday 20th December – Last Day of the School Year (school finishes 1:30pm)

End Of Term

The final week of term always proves to be a great week of celebrations, alongside much organising that needs to occur.

On Thursday 19th and Friday 20th December, there will be no formal classes at school (school will still be open). Our main focusses on these days will be ensuring that we have all classrooms moved and sorted, ready for 2025.

Please note that school finishes on Friday 20th December at 1:30pm.

2025 Transition Morning

On Tuesday 10th December, our Year 6 students will be visiting their respective High Schools for 2025 transition.

Students at Clayton South Primary School will also have a transition morning on this day. From 9:30am -11:00am, students will go to their 2025 classrooms and be with their 2025 teacher and classmates. This is the perfect opportunity for our students to become familiar with the new environments and people, so that they are comfortable and ready to begin on Day 1 of school in 2025.

Library Books / School Readers

This week has been the final opportunity for students to borrow books from the library before it closes for end of year stock take. We ask that students and families begin hunting around home for any library books or readers that can be returned to school as they will all be due back next week. Overdue notices for outstanding loans will be sent home as reminders very shortly.

School Raffle Thank You

This year, our End of Year Raffle is absolutely amazing. The prizes are brilliant and well worth winning! A huge thank you to Sandra Tirtahardja and Maria Pagomenos for taking the time to source all the donations and for putting together the amazing prizes – we appreciate your efforts! Please see below for a list of our very generous raffle sponsors.

Thank you to all our families who have already purchased tickets, your support for this raffle has been amazing. If you are yet to purchase tickets and still wish to do so, they can be organised through the school office.

The raffle will be drawn at our final assembly for the year on Friday 13th December.
