THURSDAY: 8 FEBRUARY 2024

Great Work

Our students are continuing to work hard in all of their classes and displaying our school values in all areas of the school.

There is always a productive vibe occurring in every class and the students are keen to share their learning. It has been very pleasing to see students working their hardest and being proud of their achievements.

International Day

We are very excited that our annual International Day celebrations are fast approaching, taking place on Wednesday 20th March. This occurs during Harmony Week and is the perfect way for us to learn about and celebrate all of the amazing different cultures of our families.

Please look out for the information and permission form that was sent home outlining the events that will take place for this years International Day. Please ensure that notices and payments are returned to the school.

International Day always proves to be an absolute favourite day of the year for many of our students and families!

School Council

This year we welcome back Sandra Tirtahardja and Ha Le onto our School Council as re-nominated parent members. We also welcome Spiro Apostolidis as a new parent member joining our School Council. We thank our School Council members for their commitment and time dedicated towards the constant support and improvement of our school.

Our School Council AGM will be held on Thursday 21st March at 4pm, followed by our regular meeting.

School Council meetings are held twice a term and work with the school in maintaining compliance and planning the direction of the school moving forwards.

2024 TERM 1 DATES

March

- 5th – School Swimming (Prep-Grade 6)
- 7th – Yrs 4-6 Interschool Sport Round 3 (Home game vs Westall)
- 8th – School Assembly 3pm
- 11th – Labour day Public Holiday (no school)
- 12th – School Swimming (Prep-Grade 6)
- 13th—18th – NAPLAN (Grade 3 & 5)
- 19th – School Swimming (Prep-Grade 6)
- 20th – International Day
- 21st – School Council AGM and Meeting
- 21st – Yrs 4-6 Interschool Sport Round 6 (Away game vs Mt Hira)
- 22nd – School Assembly 3pm
- 25th – Camp payment 1st instalment due today
- 26th – Final School Swimming (Prep-Grade 6)
- 27th – Last day of term 2:30pm finish

2024 NAPLAN

NAPLAN begins for our Years 3 and 5 students next week. Whilst we treat NAPLAN as just another assessment for our students, it is important to ensure that they are at school on time and ready to participate for each session. There are strict guidelines for administering these assessments. Students will complete four assessments covering Writing, Reading, Language Conventions and Maths, with results released to families and the school later in the year.

Public Holiday

Please note that **Monday 11th March** is the Labour Day Public Holiday and that there is **no** school on this day. There is also no after school care facilities available either.

End of Term

We are already into Week 6 of term and fast approaching the upcoming holiday break. It has been a busy, but very successful term for our students and we still have plenty of work to do over the next few weeks.

Please note the following important dates for the end of term:

Thursday 28th March – Last day of Term 1. School finishes at 2:30pm.

Monday 15th April – School begins for Term 2.

Exploring Seed Germination: A Science Experiment

Grade 2/3A

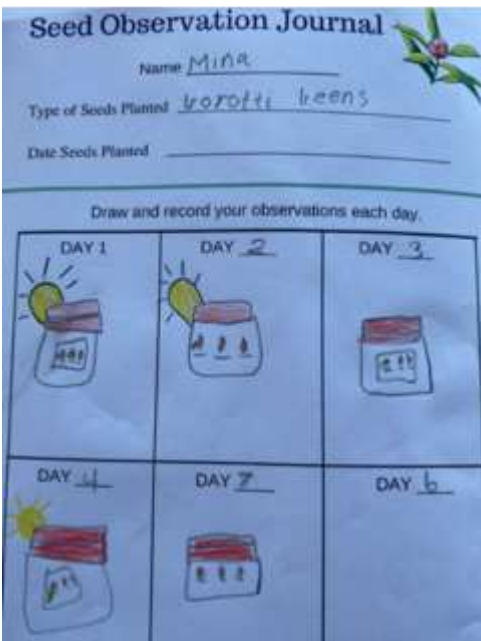

Two weeks ago, Grade 2/3 students explored the amazing process of seed germination. By watching and recording what happened, they learnt how seeds grow roots and turn into plants. This experiment helped them understand not only how seeds sprout but also what they need to grow well. The class placed 3 seeds in a Ziploc bag, sprayed them with water and taped the bag to the window.

Grade 2/3A also compared the beans in the sunny place with the ones in the dark (teachers' seed bags) to see how sunlight helps seeds to grow. It was great fun!

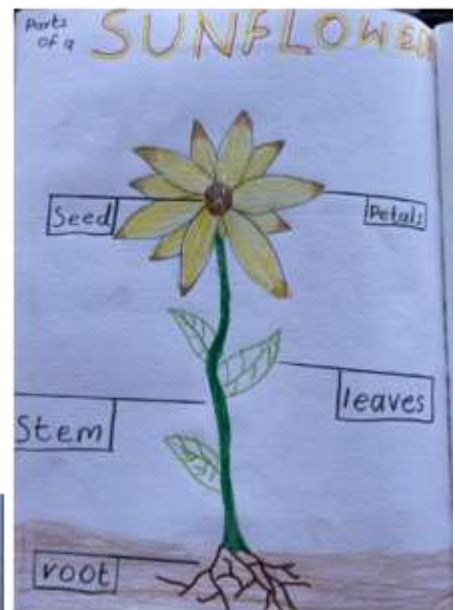

Grade 2/3 students learnt how seeds grow into plants and what they need to survive.

They kept a record of their observations for days: 1, 2, 3, 4, 7 and 8.

Here are a few of our fabulous observations, sorting, illustrations, and diagrams.

By Ryan, Viyaansh, Mina, Dyuthi and Sayman
