THURSDAY: 18 APRIL 2024

Welcome Back

We have had a great start to the term here at Clayton South Primary School. The students have all returned from the break refreshed and ready to go for another busy term. Please ensure that you keep up to date with the newsletter and notices as there is always plenty going on!

School Open Evening

On Tuesday 30th April we will be holding an Open Evening for prospective families to be able to come along and see our school. This evening is aimed at families with students who will be beginning Prep in 2025, but other families interested in our school are also welcome to attend. It provides them with the opportunity to have a tour of our school and to be able to learn more about what we do at Clayton South Primary School.

Please see the attached flyer and share with your family and friends who are looking for schools for their children.

School Council Update

At our School Council AGM held just before the end of term, elections were held for positions within the School Council. We congratulate Sandra Tirtahardja for being nominated and voted in as School Council President and Maria Pagomenos for being nominated and voted in as Vice President.

I would like to take this opportunity to acknowledge and thank Tiffany Backhaus who was our School Council President for the past couple of years. Tiffany demonstrated such a strong commitment to ensuring the absolute best for our school and students, and we look forward to her continued support as a member of the School Council.

School Photos

Please be aware that School Photos are being held on Wednesday 1st May. It is important that all students are at school on time, as we will be unable to alter the photo schedule for missing students.

Photo ordering information has been sent home to families. All orders must be completed using the online platform, as the school does not handle the payment or orders for school photos.

THURSDAY: 18 APRIL 2024

School Uniforms

As we are starting to have some cooler mornings and days, the need for school jumpers and jackets are on the rise. School uniform items (jumpers and polo shirts) need to be ordered through FCW (<https://fcw.com.au/>). Please note that orders can take time for delivery, so it is best to order early on, not when items are desperately needed. Navy jackets and long pants can be purchased wherever families find easiest.

Please ensure that all uniform items are clearly named. It is amazing how many un-named items **we find in the school yard and can't return to** their rightful owners. Please also check at home to make sure your child has not brought home clothing belonging to someone else.

Student Absences

Promoting school attendance is an ongoing priority for schools. Greater attendance gives students more exposure to learning opportunities and supports them in achieving the best possible results.

However, we do also need to ensure that if your child is unwell, that they do stay home until they have fully recovered.

Please record any absences on the Sentral Portal. If absences have not been recorded by 9:30am, an automated reminder will be sent to you, prompting you to update their absence. Absences can be notified in advance for known absence periods.

Term 2 Curriculum Day

A reminder that there is no school tomorrow or Friday this week. Thursday is the ANZAC Day public holiday and Friday is a School Council approved Curriculum Day. The Curriculum Day is a day for staff to be working together, learning about and designing new Maths assessments to use with students.

We have aimed to give you as much notice as possible, so that you can make alternate care arrangements for your children.

Thursday 25th April – ANZAC Day Public Holiday – No school

Friday 26th April – CSPA Curriculum Day – No school

Child safety and wellbeing at Clayton South Primary School - information for families and the school community

The Victorian Government has announced new [Child Safe Standards](#) to further strengthen child safety across organisations, including schools. The new standards recognise the critical importance of families and the broader school community in maintaining and promoting child safety and wellbeing.

Clayton South Primary School has reviewed and updated our child safety policies and procedures to ensure they meet the requirements of the new standards.

These are available to view on our school website:

<https://www.claytonsouthps.vic.edu.au/>

We are committed to continuous improvement in our approach to child safety and wellbeing and welcome feedback from families and members of our school community on ways we can further strengthen our child safety policies, procedures and practices.

If you have any suggestions, comments or questions, please contact Craig Pauwels – Principal.

SCHOOL PHOTOS 2024 - Important Registration Information

School Photographs will be taken at

Clayton South Primary School

Wednesday 1st May 2024

There is no need to return any forms or payment to school before photo day

Flyers with Unique Image Codes will be issued to all students on or after photo day

When you receive your child's 2024 image code

Follow these 3 simple steps -

1 Go to order.arphotos.com.au and enter your child's 2024 image code

2 Tap on 'Add another child' to enter the image codes of any siblings

3 Fill in your contact details & review before confirming your registration*

*This information will only be used for distribution of personal image codes and ordering details.

That's it!

It's important to register each year to link your child's NEW images to your contact details
When 2024 images are ready to view in our secure webshop you'll be notified by email and SMS

- Create photo packages with any layout & YOUR choice of images + Multiple Image Downloads
- Order on any mobile device • Share the images with family & friends for FREE

**** Please wait to receive notifications that new images are online BEFORE ordering for 2024****

5/6B NEWSLETTER

We are thrilled to announce that the students of 5/6B have kicked off their Genius Hour projects! Genius Hour is a time when students get to explore their passions and interests by working on a project of their choice, fostering creativity, critical thinking, and independence. The first step in this process is for students to decide on their topic, which stems from something they are passionate about. Some of the exciting ideas that have emerged include building a robotic arm, creating a podcast on environmental issues, designing a sustainable fashion line, and more.
