10<sup>th</sup> – King's Birthday  
Public Holiday (no school)

13<sup>th</sup> – Interschool Sport  
Round 5: Away vs St  
Elizabeth's

28<sup>th</sup> – Last Day of Term 2

As we hit the mid point of Term 2, our students are continuing to work hard with their learning, with ongoing focusses around literacy, numeracy, and friendships.

#### Great Learning

Regularly I take visitors and enrolment tours around our school. What we always see is our students working hard, our students focused on the tasks and their learning and calm, productive classroom learning environments. What is even more exciting is seeing our students being proud of their achievements and striving to learn more.

Whilst we are continuously reviewing and refining our teaching processes, it is extremely rewarding to see the positive impact that we are having **on our students' academic growth and engagement** – we are certainly on the right track!

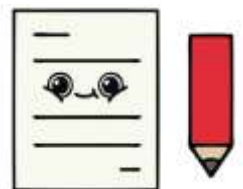

#### ES Staff Day

Last week we celebrated ES (Education Support) Staff Day. At Clayton South Primary School, we are privileged to have such high-quality support staff within our school. These include our administration staff, classroom support staff and allied health staff. Without them, our school simply would not run as smoothly as it does, nor would our students receive the level of support that they do. Whilst we appreciate their support and efforts every day, this was an opportunity to acknowledge and celebrate their efforts as a whole school.

#### Student Surveys

Each year, students in Years 4-6 are invited to participate in the Attitudes to School Survey.

The results from these surveys help us to understand how our students are feeling about school and enable us to develop ways to continually improve our practice. Mr. Pauwels will be working with students to complete these surveys throughout the remainder of this term.

### Sporting Updates

Last week, eleven of our students represented our school at the district Cross Country event held at the Springers Recreation Centre. Well done to all of our students who competed. They all ran well and tried their best against tough competition. An extra congratulations to Esme who finished in the top 10 (5<sup>th</sup> place!), qualifying her to compete in the upcoming Regional event! We wish her all the best for this event.

Our interschool sports winter season had begun, occurring each week on a Thursday morning, playing against other local schools. Our students are always very eager to play together and give each sport their best effort. It is always pleasing to see the positive sportsmanship and teamwork that our students display in each game. Well done!

### Student Absences

Promoting school attendance is an ongoing priority for schools. Greater attendance gives students more exposure to learning opportunities and supports them in achieving the best possible results.

However, we do also need to ensure that if your child is unwell, that they do stay home until they have fully recovered.

Please record any absences on the Sentral Portal. If absences have not been recorded by 9:30am, an automated reminder will be sent to you, prompting you to update their absence. Absences can be notified in advance for known absence periods.

### 2025 Enrolments

We are now taking enrolments for 2025!

If you have a child who will be joining us at Clayton South Primary School in 2025, then now is the time to begin organising enrolment for them.

If you have friends or family with children looking to join our fantastic school, then please let them know that they are welcome to make a time to have a chat with us and that enrolments are currently being taken.

Please make all enrolment enquiries at the office.

As part of our Geography unit on Asia, the grade 5 and 6 cohort went on an excursion to the city. We travelled via train to the NGV first where we were taken on a tour of the Japanese art exhibition. Students had an excellent time learning about the different styles of art, the stories behind them and even had a chance to create their own line drawing of a friend.

We then walked to Hosier Lane where students had an opportunity to explore the excellent street art which was on the way to Chinatown. Once in Chinatown, students were put in groups and competed in a photo scavenger hunt.

The students needed to take many photos of famous landmarks and things that exhibit the many different Asian cultures that are represented in Chinatown. Once this was completed all students returned to school by train. It was an extremely enjoyable and tiring day for all involved.
