As always, it has been another busy fortnight at Clayton South. It has been very pleasing to see the continued great work occurring in our classrooms.

World Teachers Day

This week we celebrated World Teachers Day at CSPA! We certainly are privileged to have such a dedicated team of high-quality teachers working with our students! This was a great opportunity for us to be able to acknowledge and say 'thank-you' to our teachers for their ongoing hard work and dedication. All our teachers have nothing but the best interests of our students and school at heart, and absolutely go above and beyond every single day, so thank you to our amazing teachers, we really do appreciate everything you do!

Art Trail

We are very excited about the upcoming CSPA Art Trail, being held on Thursday 12th November from 3:30pm – 5:30pm. The Art Trail is a celebration of all the students amazing work created in Art with Senorita. The work will be displayed throughout the school and there will be a fun family challenge activity to complete whilst viewing the art. We encourage you to put this date into your diaries, as having been privileged to previewing some of the work, it is shaping up to be a brilliant event!

Survey Results

Earlier this year our students in Years 4-6 participated in Attitudes to School surveys and parents were invited to complete the Parent Perception surveys about our school. These are an annual requirement from the Department of Education. The results have been released, and we are extremely pleased with how they look. Across just about all the domains, our results are very positive, being well above the state averages. It is very rewarding to see our students and families acknowledging and celebrating what a great school we have! We have also received our annual School Performance report from the Department of Education. The outcomes of this report are also very pleasing with our school receiving an overall rating of 'High' (high is the top overall rating) compared to like schools. We are extremely proud of the work being achieved at our school!
