End Of Term

The final weeks of term always proves to be a great time for celebrations, alongside much organising that needs to occur in preparation for 2026.

On Thursday 18th and Friday 19th December, there will be no school. These are School Council approved Curriculum Days for the staff to be working on 2026 planning.

Youth Leadership Victoria will run a care program on these days if there is enough interest. They will also be running a Holiday Program at St Andrews over the holiday break which our students are able to attend.

Please note that school finishes on Wednesday 17th December at 3:30pm.

2026 Transition Morning

On Tuesday 9th December, our Year 6 students will be visiting their re-
spective High Schools for 2026 transition.

Students at Clayton South Primary School will also have a transition morning on this day. From 9:15am-11:00am, students will go to their 2026 classrooms and be with their 2026 teacher and classmates. This is the perfect opportunity for our students to become familiar with the new environments and people, so that they are comfortable and ready to begin on Day 1 of school in 2026. We also look forward to welcoming our new Prep students and their families on this morning.

Library Books / School Readers

This week has been the final opportunity for students to borrow books from the library before it closes for end of year stock take. We ask that students and families begin hunting around home for any library books or readers that can be returned to school as they will all be due back next week. Overdue notices for outstanding loans will be sent home as reminders very shortly.
