Friday 13th June 2025

As we near the end of Term 2 and the conclusion of the first semester for the school year, it is important to ensure that you keep up to date with the happenings within our school. This is a great time for us to reflect on a successful first half of the year and to plan for the continued improvement and growth for the second semester.

Building Update

This is just a short update on the progress of our school building project. Work has still been occurring behind the scenes in preparation for our new school buildings. The tender period has closed (the VSBA – Victorian School Building Authority manage this process) and contracts are currently being drawn up with the successful builder. Once this process is complete, we will be able to provide exciting and detailed information about our project. We should then see some action of works occurring very soon after.

We look forward to being able to share more detailed information with you shortly.

Mobile Phones

A reminder to all families and students, that inline with Department of Education guidelines, that all student mobile phones must be handed into the office each morning for safe keeping, where they are securely stored, and can be collected at the end of each school day. Students should not have phones kept in their bags during the day whilst at school.

If students are wearing smart watches to school, they should be on silent with messaging and communication access turned off during the school day. If smart watches are used as a communication device during the school day, then they will be treated as a mobile device and stored in the office for the duration of the school day.

Student Absences

Promoting school attendance is an ongoing priority for schools. Greater attendance gives students more exposure to learning opportunities and supports them in achieving the best possible results. However, we do also need to ensure that if your child is unwell, that they do stay home until they have fully recovered. We are noticing high levels of different illnesses at the moment, including Covid, so it is very important that students are kept home if they are unwell.

Please record any absences on the Sentral Portal. If absences have not been recorded by 9:30am, an automated reminder will be sent to you, prompting you to update their absence. Absences can be notified in advance for known absence periods.

End of Term

As we are fast approaching the end of Term 2, please be aware of the following important dates:

- Friday 4th July – Last day of Term 2 – School finishes at 2:30pm
- Monday 21st July – School resumes for Term 3

2026 Enrolments

We are now taking enrolments for 2026!

If you have a child who will be joining us at Clayton South Primary School in 2026, then now is the time to begin organising the enrolment for them. If you have friends or family with children looking to join our fantastic school, then please let them know that they are welcome to make a time to have a chat with us and that enrolments are currently being taken. Please make all enrolment enquiries at the office.
