Friday 24th July 2026

We would like to extend a warm welcome back to all our families. It has been a fantastic start to the term. Our students all returned, eager to get straight back into their learning routines – it has been fabulous to see!

Building Update

We are very excited that next week our students will move into their brand new learning spaces! I know that a lot of our students and families have loved watching the rapid development of our new admin wing and learning spaces, and now is the exciting time to be able to enjoy them.

On Tuesday morning we will assemble all students together in the BER to start the day with clearly working through the rules and boundaries for the new areas. Teachers will then take their classes across to the new classrooms and begin setting up their new routines.

In the coming weeks, we will hold an open afternoon for families to be able to come through and fully explore and appreciate our new spaces! Further information will come out soon regarding this.

But it doesn't stop there, in only a couple of weeks the demolishing of our old main building will begin, so that the works can start on Stage 2 of our development – another wing being built along the Clayton Road side with 8 new learning spaces!

These are very exciting times for our school!

Photographing Students

We understand that from time-to-time families love to capture photos or videos of their children playing, being happy and preparing for the school day (on school grounds).

In line with our school policies, we do ask that you try to only capture your own child in these pictures / videos and where other children may be seen, that you crop them out of any photos before sharing with others or on social media. We thank you for your understanding and cooperation.

Please note that any photos or videos produced by the school have full consent from families before publishing.

Interschool Sports

Regularly last term, our older students participated in the Winter Interschool Sports competition against other local schools. At the conclusion of the season, our Mixed Netball team placed first on the ladder for our competition pool - undefeated, qualifying them for the District finals competition!

Next week, our Mixed Netball team will play in the District finals! We love watching how well they play together as a team and wish them all the best for the finals.

3:10pm

27th – Curriculum Day
(no school for students)

28th – First Day in New Building

29th – Interschool Sport Finals

30th – Curriculum Day
(no school for students)

August

7th – School Assembly
3:10pm

13th – CSPA Years 3-6 Athletics

13th – School Council
4pm

School Uniforms

As we are experiencing colder days, it is important for students to be wearing school jumpers and to have a warm jacket with them at school.

School uniform orders can be placed online with FCW at any time.

Most families find it more cost effective to purchase navy school pants and jackets through stores like Kmart or Target and just purchase the uniform shirts and jumpers through FCW.

Please ensure that all clothing items are clearly named, so that when misplaced, they can be returned to their correct owners.

CSPA Curriculum Days

We have two School Council approved Curriculum Days (no school for students) scheduled for early next term:

Monday 27th July (No school for students)

Friday 31st July (No school for students)

These days are to allow us to move into our new building and clean up the old building.

Youth Leadership Victoria will be running care facilities on these days. Please contact them directly to book your child in.

School Attendance

Promoting school attendance is an ongoing priority for schools and the Department of Education. Greater attendance gives students more exposure to learning opportunities and supports them in achieving the best possible results.

However, we do also need to ensure that if your child is unwell, that they do stay home until they have fully recovered.

Please record any absences on the Sentral Portal. If absences have not been recorded by 9:30am, an automated reminder will be sent to you, prompting you to update their absence. Absences can be notified in advance for known absence periods.

2027 Enrolments

We are now taking enrolments for 2027!

If you have a child who will be joining us at Clayton South Primary School in 2027, then now is the time to begin organising the enrolment for them.

If you have friends or family with children looking to join our fantastic school, then please let them know that they are welcome to make a time to have a chat with us and that enrolments are currently being taken.

Please make all enrolment enquiries at the office.
