Friday 7th August 2026

What an exciting fortnight we have had at CSPA! This fortnight not only saw that amazing, high quality learning that consistently occurs in our school, but also the handover and move into Stage 1 of our new buildings!

Building Update

During the last fortnight we had the official handover of Stage 1 of our new buildings. There was a lot involved with final checks, training, furniture deliveries and moving all our belongings into the new spaces. Items have also been placed into storage until the completion of Stage 2.

We started off last Tuesday gathering our students together to work through the rules and boundaries for the new building. Teachers then took their classes to begin settling into their new learning spaces. Our students were extremely excited and have been talking non stop about all the great features of their new learning spaces! We loved last week being able to let our families explore our new facilities! It was great to see our students being tour guides and showing their families their new classrooms and other areas of the school. There was such a nice buzz of excitement in the air!

There will still be some playground works in the central courtyard area that will occur in the coming months.

We have already seen the site fencing being moved and the old main building has already had works begin in preparation for it being demolished and the commencement of Stage 2 of the building works. This has caused some logistical changes for us in having to walk the long way around to the oval, senior playground, courts, Library and Art Room, but everyone is already managing this very well. We are bound to see some rapid developments as our second new building containing 8 new learning spaces will begin quickly!

A massive thank you to all our staff for their hard work (over weekends too), in preparing and moving to ensure that our new classrooms were ready for our students. Thank you to our families for their flexibility and support in navigating any changes and to our students who have slipped seamlessly straight into their normal learning routines in their new spaces!

Interschool Sports

Last week our Mixed Netball Team played in the District Finals at Silverton Primary School. The level of competition gets extremely tough at this level. Our team played so well together! They demonstrated great skill, teamwork and sportsmanship, resulting in them placing second for our district! A huge congratulations to the team on an outstanding effort, making it to this level and playing so well on the day!

Thank you to Mrs Douglass for coaching, Ms Felicia for being the team scorer and to the parents who came along to support the team throughout the season.

Student Mobile Phones

We understand that some families prefer their children to carry a mobile phone with them when travelling to and from school. A reminder that it is Department of Education policy that students are not to have their phones during the school day. All student phones are to be handed into the school office at the beginning of the day and can be collected at 3:30pm. Students wearing smart watches must ensure that messaging and phone capabilities are turned off during the school day, otherwise they will also need to be stored at the front office.

School Uniforms

As we are experiencing colder days, it is important for students to be wearing school jumpers and to have a warm jacket with them at school.

School uniform orders can be placed online with FCW at any time.

Most families find it more cost effective to purchase navy school pants and jackets through stores like Kmart or Target and just purchase the uniform shirts and jumpers through FCW.

Please ensure that all clothing items are clearly named, so that when misplaced, they can be returned to their correct owners.

School Attendance

Promoting school attendance is an ongoing priority for schools and the Department of Education. Greater attendance gives students more exposure to learning opportunities and supports them in achieving the best possible results.

However, we do also need to ensure that if your child is unwell, that they do stay home until they have fully recovered.

Please record any absences on the Sentral Portal. If absences have not been recorded by 9:30am, an automated reminder will be sent to you, prompting you to update their absence. Absences can be notified in advance for known absence periods.

2027 Enrolments

We are now taking enrolments for 2027!

If you have a child who will be joining us at Clayton South Primary School in 2027, then now is the time to begin organising the enrolment for them.

If you have friends or family with children looking to join our fantastic school, then please let them know that they are welcome to make a time to have a chat with us and that enrolments are currently being taken.

Please make all enrolment enquiries at the office.
