As always, it has been another busy fortnight at Clayton South. It has been very pleasing to see the continued great work occurring in our classrooms.

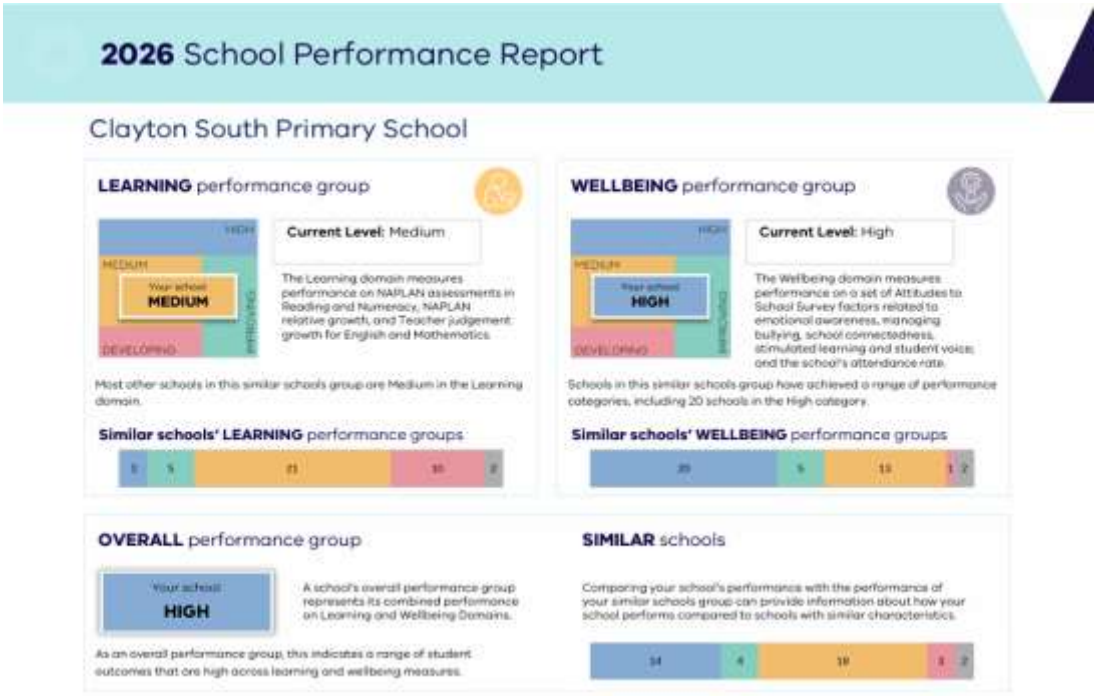

World Teachers Day

This week we celebrated World Teachers Day at CSPS! We certainly are privileged to have such a dedicated team of high-quality teachers working with our students! This was a great opportunity for us to be able to acknowledge and say 'thank-you' to our teachers for their ongoing hard work and dedication. All our teachers have nothing but the best interests for our students and school at heart, and absolutely go above and beyond every single day, so thank you to our amazing teachers, we really do appreciate everything you do!

Survey Results

Earlier this year our students in Years 4-6 participated in Attitudes to School surveys and parents were invited to complete the Parent Perception surveys about our school. These are an annual requirement from the Department of Education. The results have been released, and we are extremely pleased with how they look. Across all the domains, our results are very positive, being well above the state averages. It is very rewarding to see our students and families acknowledging and celebrating what a great school we have!

We have also received our annual School Performance report from the Department of Education. The outcomes of this report are also very pleasing with our school receiving and overall rating of 'High' (high is the top overall rating) compared to like schools – this is the third year in a row that our school has received an overall 'High' rating! We are extremely proud of the work being achieved at our school!
