20th – First Day of
Term 2

Great Work

As we quickly approach the end of Term 1, It has been very pleasing to see the progress that our students have made already this year. All of our students have their own specific needs and targets; educationally, socially and emotionally and it is great to see them working alongside their teachers to achieve their best in all of these areas. There has certainly been a calm and productive feel throughout the school for the term and the most rewarding part is seeing our students being so proud of their achievements. Our students have certainly set the tone for an extremely successful year!

Thank You

Over the past weeks, we have seen extreme levels of generosity from our families. This has been in the form of Easter donations, school resource donations, fundraising donations and donating time to help our school. We are truly grateful to the support that is given to our school

and say a huge 'THANK YOU' to every family who have so generously con-

tributed to our school.
A special mention also to Family Fresh Butchers in Chelsea for their support of our BBQ Hotdog fundraiser last week in providing the sausages at a hugely discounted rate – our students loved them!

Last weekend we had a very successful School Working Bee. A massive thanks to all of the families and staff who came along to help out in our school. The grounds are looking as good as possible again due to the time and efforts of those at the working bee.

Easter Raffle

This week information was sent home about our Easter Raffle. Tickets can be purchased by returning the order form with payment and tickets will be organised for you through the office. Due to the generosity of our families, there is an abundance of amazing prizes!

The raffle will be drawn at 2:10pm on Thursday 2nd April during our final assembly for the term.

A huge thank you for your amazing support of our school!

International Day

On Wednesday we had our annual International Day celebrations at CSPA. This day always proves to be an absolute highlight for many people.

I love seeing our students dressed in costumes, colours and traditional dress that represents their heritage and culture. Everyone looked absolutely amazing!

Our students enjoyed a Latin performance, before hosting their own concert showcasing their many talents. This was followed by a delicious shared lunch, with dishes being served from all around the world.

Thank you to our families for their support on the day. We appreciate the efforts that families went to in ensuring their children were dressed up well and representing their cultures, for the amazing food that was provided and for those who came along on the day to support our school.

A huge thanks to our amazing Senorita for all of her hard work in planning and preparing for the day, with the support of our other staff.

School Council

Last week we held our first School Council meeting with the new 2026 council members and the Annual General Meeting.

We would like to congratulate Sandra Tirtahardja, being voted in and continuing on as the Clayton South Primary School Council President. Our school Annual Report to the community for 2025 is available for viewing via our school website.

School Holiday Program

These upcoming holidays, Youth Leadership Victoria (YLV) will be running a holiday program at Clayton South Primary School. This will occur all holidays, except for the public holidays over the Easter Break.

Please see attached the program for the upcoming school holiday program and booking information.

Youth Myki

You may have heard that travel on public transport is now free for children under the age of 18. Please find following a link to more details about this initiative.

NAPLAN

Congratulations to our Year 3 and 5 students who worked super hard to complete their NAPLAN assessments over the past weeks. I was extremely proud of the manner in which our students took their time and tried their best with each question. I loved seeing their scribble pages with their ideas and working out next to them as they worked through the questions.

Results from these assessments will be made available to the school and individual families later in the year.

End of Term

We are already into Week 9 of term and fast approaching the upcoming holiday break. It has been a busy, but very successful term for our students and we still have plenty of work to do over the next couple of weeks.

Please note the following important dates for the end of term:

Thursday 2nd April – Last day of Term 1. School finishes at 2:30pm.

Monday 20th April – School begins for Term 2.

Immune Deficiencies Foundation Australia proudly presents...

2026 Razzamatazz Variety Show

Razzamatazz is a one-hour variety show, a mix of comedy and circus acts, providing relaxed theatre performances for children, young adults and families.

Enjoy the "live performance" experience with a casual attitude to audience noise and movement in an accessible and inclusive environment, where you are welcomed and free to be yourself without restriction or judgement.

One hour shows. Suitable for all ages and accessible for people...

- with diverse abilities and backgrounds (wheelchair accessible)
- who might require a more flexible and inclusive environment when attending the theatre (sensory-friendly).
- who are facing hardship.
- are without access or opportunity to live theatre.

**Featuring moving and flashing lights, and upbeat, sometimes dramatic music.*

ALL TICKETS ARE COMPLIMENTARY, including parent, sibling, teacher and carer tickets. Thanks to sponsorship from local businesses.

**Bookings from schools, organisations, carers and families are all welcome.*
