#### Welcome Back

We have had a great start to the term here at Clayton South Primary School. The students have all returned from the break refreshed and ready to go for another busy term. Please ensure that you keep up to date with the newsletter and notices as there is always plenty going on!

#### Building Update

It is extremely exciting to see the progress occurring with our building works – the new Administration Building and Classrooms are looking amazing! Currently the external walls are being constructed and internal walls are being fitted. We can really start to get a sense of how each of the rooms will feel. Our next step is to begin ordering the new furniture (included in the building grant) for the building and then the fun task of packing to move!

At this point in time, we anticipate that we should be moving into the new building early next term. Once the move across has occurred, work will begin to demolish the current main building and begin Stage 2 of the development process.

These are very exciting times for our school!

#### School Reports

As previously communicated, our School Reports for Semester 1 will look a little different this time around. Our reports will contain curriculum overviews (descriptions of the content taught), individual academic progression points, individual work habits, personal and social capabilities and attendance information. There will then be the opportunity for parents to meet with teachers following the reports being published, should they wish.

Semester 1 reports will be published for families on the Sentral App on Monday 15<sup>th</sup> June.

#### Interschool Sports

Last term, our older students participated in Interschool Sports against other local schools. At the conclusion of the season, our Girls Basketball team who were undefeated throughout the season team placed first on the ladder for our competition pool, qualifying them for the District finals competition.

Yesterday they played in the District finals! The competition level was tough, but our team played extremely well, doing their best to place overall third for our District. We congratulate the players and coach on an amazing season!

#### School Uniforms

As we are starting to have some cooler mornings and days, the need for school jumpers and jackets are on the rise. School uniform items (jumpers and polo shirts) need to be ordered through FCW (<https://fcw.com.au/>). Please note that orders can take time for delivery, so it is best to order early on, not when items are desperately needed. Navy jackets and long pants can be purchased wherever families find easiest. Please ensure that all uniform items are clearly named. It is amazing how many **unnamed items we find in the school yard and can't return to their rightful owners.** Please also check at home to make sure your child has not brought home clothing belonging to someone else.

If you need any support with uniform items, please make contact with the school.

#### Student Surveys

Each year, students in Years 4-6 are invited to participate in the Attitudes to School Survey.

The results from these surveys help us to understand how our students are feeling about school and enable us to develop ways to continually improve our practice. Mr Pauwels will be working with students in small groups to complete these surveys over the coming weeks.

If you have any questions about these surveys or wish for your child to opt out of participating, then please contact Mr Pauwels.

#### Breakfast Club

Each morning, Breakfast Club operates in the BER building from 8:30-8:55am. This is the perfect way for students to ensure that they have had breaky and are ready to start their school day.

A huge thank you to the Parents Club for running the Breakfast Club on a Friday in **Mrs Anna's absence. It is great to be able to provide this service for our students.**

#### Student Absences

Promoting school attendance is an ongoing priority for schools. Greater attendance gives students more exposure to learning opportunities and supports them in achieving the best possible results.

However, we do also need to ensure that if your child is unwell, that they do stay home until they have fully recovered.

Please record any absences on the Sentral Portal. If absences have not been recorded by 9:30am, an automated reminder will be sent to you, prompting you to update their absence. Absences can be notified in advance for known absence periods.

#### 2027 Enrolments

We are now taking enrolments for 2027!

If you have a child who will be joining us at Clayton South Primary School in 2027, then now is the time to begin organising the enrolment for them.

If you have friends or family with children looking to join our fantastic school, then please let them know that they are welcome to make a time to have a chat with us and that enrolments are currently being taken.

Please make all enrolment enquiries at the office.
