As always, it has been a busy fortnight at Clayton South Primary School. We are continuing to have an excellent term, and I thoroughly enjoy visiting all our classes to see the amazing learning that is taking place and the work occurring with all our students.

Cross Country

Well done to all of the Year 3-6 students who competed in our school Cross Country event last week. It was great to see our students participating and trying their best! Congratulations to the students who qualified for the next level of competition, who will represent our school at the district competition on Friday 15th May.

A huge thank you to Mrs Douglass for her hard work in organising the event and for the staff in assisting to make sure the event ran smoothly. Thank you also to the families who came along to help, support and to cheer the students on!

Waste Incursion

Last week our students participated in a free Environmental incursion. The students were learning about the importance and process of composting and how to properly dispose of different types of food waste / compost material. They learnt about how good compost material can be for gardens and had fun seeing the live worms in action.

Thank you to Miss Aimee for organising this for our students.

Positive Behaviour Tokens

Our positive behaviour tokens are continuing to be a real hit with our students. I absolutely love our students come into my office to share their successes and to place their tokens into their house buckets. Students receive tokens for being caught doing the right thing in our school.

Each assembly the total amount of tokens for each house are tallied, with the winning house at the end of each term winning a house reward. Two individuals are also drawn out each assembly for an individual prize.

I am excited to see which house wins the most tokens for this term!

Book Fair

In just over a week (Monday 25th May – Thursday 28th May) we will be holding our CSPS Book Fair. It will be held in the Library. Students will have the chance to have a look through the Book Fair with their classes and are likely to come home with a wish list. Naturally, it is up to families as to whether students are able to purchase anything from the Book Fair.

The Book Fair will be open from Monday 25th May – Thursday 28th May before school (8:45-9:00am), during lunch time (1:30-2:00pm) and after school (3:30-4:00pm).

A huge thanks to Ms Felicia for organising the Book Fair for our school.

School Uniforms

As we are starting to have some cooler mornings and days, the need for school jumpers and jackets are on the rise.

School

uniform items (jumpers and polo shirts) need to be ordered through FCW (<https://fcw.com.au/>). Please note that orders can take time for delivery, so it is best to order early on, not when items are desperately needed. Navy jackets and long pants can be purchased wherever families find

easiest.

Please ensure that all uniform items are clearly named. It is amazing how many **un-named items we find in the school yard and can't return to their rightful owners**. Please also check at home to make sure your child has not brought home clothing belonging to someone else.

If you need any support with uniform items, please make contact with the school.

Student Absences

Promoting school attendance is an ongoing priority for schools. Greater attendance gives students more exposure to learning opportunities and supports them in achieving the best possible results.

However, we do also need to ensure that if your child is unwell, that they do stay home until they have fully recovered.

Please record any absences on the Sentral Portal. If absences have not been recorded by 9:30am, an automated reminder will be sent to you, prompting you to update their absence. Absences can be notified in advance for known absence periods.
