As we hit the mid point of Term 2, our students are continuing to work hard with their learning, with ongoing focusses around literacy, numeracy, and with students continuing to do their best and be their best.

#### Building Works

It is exciting to see the continued progress of the first stage of our new buildings! There is always plenty of work occurring, some that we can see with very obvious changes and other work that occurs such as wiring that is less obvious to notice. Currently, plastering has been completed internally, and painting is due to begin. We have new furniture for all our spaces on order – we really will be moving into a completely new facility! Over the course of the design stage and with the availability of materials, some alterations have been made. See below for the updated images of how amazing our new buildings are going to look!

At this point in time, the first stage should be completed by the end of July! We will then have limited time to be moved into the new learning spaces, ready for Stage 2 to begin.

### Great Learning

Regularly I take visitors and enrolment tours around our school. What we always see is our students working hard, our students focussed on the tasks and their learning and calm, productive classroom learning environments. What is even more exciting is seeing our students being proud of their achievements and striving to learn more.

Whilst we are continuously reviewing and refining our teaching processes, it is extremely rewarding to see the positive impact that we are having **on our students' academic growth and engagement** – we are certainly on the right track!

### ES Staff Day

Last fortnight we celebrated ES (Education Support) Staff Day. At Clayton South Primary School, we are privileged to have such high-quality support staff within our school. These include our administration staff, classroom support staff and allied health staff. Without them, our school simply would not run as smoothly as it does, nor would our students receive the level of support that they do. Whilst we appreciate their support and efforts every day, this was an opportunity to acknowledge and celebrate their efforts as a whole school.

### Sporting Updates

Last week, seven of our students represented our school at the District Cross Country event held at the Springers Recreation Centre. Well done to all of our students who competed. They all ran well and tried their best against some very tough competition!

Our interschool sports winter season had begun, occurring each week on a Thursday morning, playing against other local schools. Our students are always very eager to play together and give each sport their best effort. It is always pleasing to see the positive sportsmanship and teamwork that our students display in each game. Well done!

#### Student Absences

Promoting school attendance is an ongoing priority for schools. Greater attendance gives students more exposure to learning opportunities and supports them in achieving the best possible results.

However, we do also need to ensure that if your child is unwell, that they do stay home until they have fully recovered.

Please record any absences on the Sentral Portal. If absences have not been recorded by 9:30am, an automated reminder will be sent to you, prompting you to update their absence. Absences can be notified in advance for known absence periods.

#### 2027 Enrolments

We are now taking enrolments for 2027!

If you have a child who will be joining us at Clayton South Primary School in 2027, then now is the time to begin organising the enrolment for them.

If you have friends or family with children looking to join our fantastic school, then please let them know that they are welcome to make a time to have a chat with us and that enrolments are currently being taken.

Please make all enrolment enquiries at the office.

#### End of Term / Public Holidays

As Term 2 continues to progress very quickly, please be aware of the following important dates:

Monday 8<sup>th</sup> June – Kings Birthday Public Holiday (no school)

Friday 26<sup>th</sup> June – Last day of Term 2 – School finishes at 2:30pm

Monday 13<sup>th</sup> July – School resumes for Term 3
