Friday 26th June 2026

As we reach the end of Term 2 and the conclusion of the first semester for the school year, it is important to ensure that you keep up to date with the happenings within our school. This is a great time for us to reflect on a very successful first half of the year and to plan for the continued improvement and growth for the second semester.

Building Update

As our building works continue to progress at a rapid case, we busily are getting ourselves ready for the move. The new spaces are looking amazing, and we are extremely excited to be working in them next term. Staff have been sorting and packing, and new furniture has all been ordered in preparation.

We are well on track for our handover of the new building to occur on Friday 24th July, with our first classes set to be in the new classrooms on Tuesday 28th **July. We can't wait to be able to show you these amazing new learning spaces!**

Thank You Ms Burston

This week Ms Burston has finished up officially working at CSPA. Ms Burston came to our school at the beginning of last year to backfill Mrs Nuske who has spent the last year and a half working in the Lesson Planning Unit for DET – we welcome Mrs Nuske back to CSPA next term. In this time, Ms Burston has developed extremely positive and supportive connections with our students, families and staff and we thank her for all of her efforts in leading the Inclusion work, much of which occurs behind the scenes. We certainly hope to still see Ms Burston around our school.

Afterschool Care Program

We are very fortunate to have a before and afterschool care program, and holiday care facilities. This is run independently to our school by Youth Leadership Victoria.

Over the holidays, the before and after school care program will be moving into the BER building. This needs to happen in preparation for our new building, where space will be tight until Stage 2 is completed. The program will continue to operate in the BER building until further notice. All enquiries regarding before and after school care and holiday programs should be made directly with Youth Leadership Victoria.

SRLA Funding

Earlier this year, our school submitted an application for funding through the Suburban Rail Loop Authority. The application was to cover the costs of replacing the shade sails over the senior and junior playgrounds, and to surface the ground under the shade at the back of the BER building. We are very excited to announce that our application was successful and that our school has been awarded the grant! We will work with the SRLA to organise these works in the near future.

A huge thank you to the Suburban Rail Loop Authority for this extremely generous contribution towards making our school even better!

Attitudes to School Surveys

Each year, students in Year 4 and above complete the annual Attitudes to School Surveys in Victorian Government Schools. These surveys provide us with important information about what we are doing well, and any areas of continued development. Over the past weeks, I had the privilege of completing these surveys with our older students. What I particularly love, is the positive conversations about our school that these surveys create.

Our preliminary results are through and they are extremely positive. We are delighted to see how highly our students think of our school, how positive their school experiences are, and how safe they feel at our school. Our results well exceed the state averages.

CSPS Curriculum Days

We have two School Council approved Curriculum Days (no school for students) scheduled for early next term:

Monday 27th July (*No school for students*)

Friday 31st July (*No school for students*)

These days are to allow us to move into our new building and clean up the old building. Youth Leadership Victoria will be running care facilities on these days. Please contact them directly to book your child in.

End of Term

Today marks the end of Term 2. Please be aware of the following important dates:

Friday 26th June – Last day of Term 2 – School finishes at 2:30pm

Monday 13th July – School resumes for Term 3

Thank you all for a fantastic term! I hope that you all have a happy and safe holiday break with your families, and we look forward to our students returning relaxed and rejuvenated ready for Term 3!

2027 Enrolments

We are now taking enrolments for 2027!

If you have a child who will be joining us at Clayton South Primary School in 2027, then now is the time to begin organising the enrolment for them.

If you have friends or family with children looking to join our fantastic school, then please let them know that they are welcome to make a time to have a chat with us and that enrolments are currently being taken.

Please make all enrolment enquiries at the office.
