Thursday 19th May Edition 7

Dear Clayton South Primary School families, I am very excited to introduce myself, my name is Dean Napier, and I will be your Acting Principal for the rest of 2022. I have been at many schools, including large and small schools and can I say, how much I really do enjoy being part of a smaller school community again. I have spent the last four years as Assistant Principal of Malvern Primary School. We have an assembly tomorrow, I hope many of you can attend and I look forward to getting to know our Clayton South PS community!!

Our Year 3 and Year 5 students completed their NAPLAN assessments last week and they have done a fantastic job. All we can ask is that they put their best effort in, and we can't ask for more than that. They certainly put their best effort in. I like to think that the NAPLAN test helps to tell US as the teachers, what we have taught the students well, and what we need to place more emphasis on. I see it as a reflection on us, not on the students. We will contact families when NAPLAN results are ready to be distributed to families.

Enrolments have opened, so if you know of anyone with a child ready to begin school next year, please send them our way for a school tour. I can conduct individual tours at any time and do not need much notice. I can showcase the wonderful things happening at CSPA with ease! We are very lucky to be part of such a caring community.

Four of our Year 5 students will be visiting Sir John Monash school as part of a maths program. Congratulations to Darcy, Alex W, Antonio and Pranav for being select to represent our school. Book Fair began this week and will be open before and after school in the library for purchases. A percentage of the money will come back to the school in books for our library so please support the school.

Thank you to Felicia for organising this event every year.
huge thank you to Miss Anna for setting this up in the BER Building

Principal Update Cont.....

As you would have noticed, the two portables have been completely removed from the school. We are now moving into a very exciting phase of the Sensory Garden works about to begin. The temporary fences will remain until all works are complete. A reminder that this Saturday 21st May is Federal election day. You will be able to cast your vote and buy a sausage from the gym at CSPS. Anyone who still wishes to help cook the sausages, please contact the school.

CSPS has a curriculum day on the **27th of May** where teachers will be receiving professional development on Writing. Remember this is a student free day, students are not required at school. You will need to make suitable arrangements for their supervision for the day, if you would like your child/ren to attend YLV, OSHC on that day please contact Denning, 0425 753 729, note costs will apply for your child/ren to attend.

Enjoy the weekend

Dean Napier

**Grade 5/6 Update**

Hi readers, we have started a worm farm at Clayton South Primary School. It is located opposite to the girl's toilets. Mrs Aimee and some year 6s are in charge of the worm farm. Fruits like banana peels, apple core, pear core, strawberries, blueberries, grapes, mangoes, and kiwi fruit scraps are collected for the worm farm.

Worms hate citrus foods like oranges and mandarins. The use of the worm farm is that the worm tea can be used to help more fruits and vegetables. Leftover fruits are taken to the compost box and some year 6s are chosen to clean it when it is full or smelly. The worm farm has been very successful and helpful for the school. Thank you so much for the support to our worm farm and reading our newsletter.
