Clayton South Primary School

'A great place for learning'

Dear Families,

We understand there is a lot of uncertainty at the moment, and parents & carers are making the best decision to suit their family. Our school is still open, and will remain open unless/until we advise otherwise.

The Department of Education policy states that schools must be notified the morning of any child's absences. If your child is absent from school YOU MUST contact us before 9.30am:

- By phone ANYTIME 9558 0599 - call and press 1 to leave a message;
- Online ANYTIME via the website www.claytonsouthps.vic.edu.au/page/127; or
- By email ANYTIME to clayton.south.ps@edumail.vic.gov.au.

This is all to ensure the safety and wellbeing of our students here at Clayton South Primary School.

WE MUST have contact with you, so if you have not let us know by 9.30am it places a tremendous additional workload on our office staff to make contact with you. Please, use one of the contact methods above to advise us at ANYTIME once you know your child/ren will be absent.

Our staff will be making up Learning at Home packs for each of our students in case the need arises for the school to be closed.

If you have any queries regarding any of the above information, please do not hesitate to come and see us at the school office. Thanks in advance for your co-operation!
